

AUSPIFY

Bring Future Through Tech

DATA VISUALIZATION (MICROSOFT EXCEL) TASK LIST

Internship Program

4-Week Practical Learning Program

ABOUT US

Auspify Technologies is a technology and training platform dedicated to helping students build industry-ready skills through internships and project-based learning.

We bridge the gap between academics and industry by providing practical experience, real-world projects, and hands-on training.

Our focus is on empowering learners with the knowledge, confidence, and professional skills needed to succeed in their careers.

Learn • Build • Grow

INTERNSHIP OVERVIEW

A 4-week remote internship program designed to provide practical learning, real-world project exposure, and industry-relevant skill development.

Features :

- Flexible Learning Schedule
- Hands-On Tasks & Projects
- Beginner-Friendly Structure
- Portfolio Building Support
- Industry-Oriented Experience

Open To: Students, Freshers, Self-Learners & Aspiring Developers

PROFESSIONAL GUIDELINES & SHOWCASE

Professional Guidelines :

- Complete assigned tasks responsibly and within deadlines.
- Ensure all submissions are original and plagiarism-free.
- Maintain organized folders for each task and project.
- Follow professional standards in communication and project delivery.

Professional Showcase :

Interns are encouraged to share their internship journey and projects to build a strong professional presence.

Benefits :

- Strengthen Your Portfolio
- Increase Professional Visibility
- Demonstrate Practical Skills
- Expand Networking Opportunities

Share : Project Screenshots, Demos, Milestones, Learning Achievements, and Project Walkthroughs.

Data Visualization (Microsoft Excel)

Task List

Welcome to our Data Visualization Internship Program!

Throughout this internship, you will work on 6 practical Data Visualization (Microsoft Excel) tasks designed to enhance your data analysis, reporting, dashboard creation, and visualization skills using Microsoft Excel and industry-standard techniques. To successfully complete the internship, you need to finish **any 4 out of the 6 tasks** based on your interests, skills, and learning goals.

Task 1 (Easy) – Data Cleaning & Chart Preparation

Description : Prepare the Netflix dataset and create basic visualizations to understand content distribution.

Task Workflow

Step 1: Import the dataset into Microsoft Excel.

Step 2: Clean missing and duplicate records.

Step 3: Create Pivot Tables for analysis.

Step 4: Generate basic charts.

Step 5: Summarize key findings.

Skills You Will Learn

- Excel Fundamentals
- Data Organization
- Pivot Tables
- Chart Creation

Key Features

- Data Cleaning
- Pivot Tables
- Basic Charts
- Data Preparation

Task 2 (Easy) – Netflix Content Distribution Dashboard

Description : Visualize the distribution of Movies and TV Shows through professional Excel charts.

Task Workflow

Step 1: Analyze content types.

Step 2: Create Pie and Column Charts.

Step 3: Highlight content proportions.

Step 4: Add chart labels and formatting.

Step 5: Build a summary dashboard.

Skills You Will Learn

- **Data Visualization**
- **Dashboard Layout**
- **Chart Formatting**
- **Insight Presentation**

Key Features

- **Pie Charts**
- **Column Charts**
- **Content Analysis**
- **Dashboard Design**

Task 3 (Medium) – Country-Wise Content Analysis Dashboard

Description : Create an interactive dashboard showing Netflix content availability across different countries.

Task Workflow

Step 1: Build country-wise Pivot Tables.

Step 2: Create ranking visualizations.

Step 3: Design interactive filters.

Step 4: Highlight top content-producing countries.

Step 5: Present geographical insights.

Skills You Will Learn

- **Advanced Pivot Tables**
- **Slicers**
- **Dashboard Interactivity**
- **Business Reporting**

Key Features

- **Country Analysis**
- **Interactive Dashboard**
- **Ranking Charts**
- **Slicers & Filters**

Task 4 (Medium) – Netflix Release Trend Visualization

Description : Analyze and visualize content growth trends using release year data.

Task Workflow

Step 1: Organize release-year information.

Step 2: Create trend-based Pivot Tables.

Step 3: Build Line Charts.

Step 4: Identify growth patterns.

Step 5: Generate trend reports.

Skills You Will Learn

- Trend Visualization
- Time-Based Analysis
- Excel Analytics
- Storytelling with Data

Key Features

- Trend Analysis
- Line Charts
- Growth Tracking
- Visual Reporting

Task 5 (Advanced) – Audience Rating Insights Dashboard

Description : Develop an executive dashboard analyzing audience ratings and content categories.

Task Workflow

Step 1: Analyze rating categories.

Step 2: Build KPI indicators.

Step 3: Create interactive visual reports.

Step 4: Add slicers for filtering.

Step 5: Deliver audience insights.

Skills You Will Learn

- **KPI Design**
- **Advanced Dashboarding**
- **Business Intelligence**
- **Decision Support**

Key Features

- **KPI Dashboard**
- **Rating Analysis**
- **Interactive Reports**
- **Executive Summary**

Task 6 (Advanced) – Executive Netflix Analytics Dashboard

Description : Create a comprehensive Excel dashboard providing business insights and performance metrics.

Task Workflow

Step 1: Consolidate all analyses.

Step 2: Design a professional dashboard layout.

Step 3: Add KPIs, charts, and slicers.

Step 4: Implement dynamic reporting.

Step 5: Present strategic recommendations.

Skills You Will Learn

- **Dashboard Development**
- **Advanced Excel Visualization**
- **Data Storytelling**
- **Executive Reporting**

Key Features

- **Executive Dashboard**
- **Dynamic Reports**
- **KPI Monitoring**
- **Business Insights**

INTERNSHIP OVERVIEW

Project Submission Process:

Interns are required to submit the following:

- Project Source Code
- Screenshots of Completed Tasks
- GitHub Repository Link (if available)
- Project Demonstration Video (optional)

A submission form or portal will be shared separately for final evaluation and project verification.

EVALUATION CRITERIA

Project Evaluation Parameters:

Projects may be evaluated based on:

- Task Completion
- Code Quality
- Website Responsiveness
- User Interface Design
- Creativity & Implementation
- Professional Presentation
- Project Functionality

CERTIFICATION

Internship Completion Recognition

- Internship Completion Certificate
- Project Completion Recognition
- Internship Experience Acknowledgment

Certification eligibility depends on:

- Successful task completion
- Proper project submission
- Basic project verification
